**WATERLOO  
MANUFACTURING**  
COMPLETE BOILER ROOM SOLUTIONS

## Celebrating 70 Years as a Cleaver Brooks Representative

Waterloo Manufacturing Company, Limited is celebrating 70 years as a Cleaver Brooks representative. Cleaver Brooks offers the most comprehensive line of packaged boilers, boiler room equipment, integrated controls systems and exhaust solutions in the industry, as well as product and boiler room operation training. As Cleaver Brooks' partner in Ontario, we are proud to offer the complete Cleaver Brooks product line, genuine replacement parts, factory trained service, control and burner upgrades, boiler operation training, rental boilers and Boiler Plant Optimization studies. As a complete boiler room solution provider we are able to offer the customer an engineered packaged solution where all components are from one manufacturer. We are a one stop shop for all your boiler room requirements.

# Canadian Boiler Society 2017 Education Days – Sponsored by Union Gas

## uniongas

An Enbridge Company

These events are focused on topics related to boiler system operations and equipment but are non commercial in content. The 8 speakers are selected by the CBS to ensure material presented is pertinent, discusses the latest innovations and has value for attendees.

### Educational Day - Spring Sessions

- April 5, 2107 – London, Ontario
- April 6, 2017 – Burlington, Ontario

### Technology Fair and Educational Forum

- June 7-8, 2017 – Toronto Ontario

### Educational Day – Fall Sessions

- November 8, 2017 – Kingston, Ontario
- November 9, 2017 – Ottawa , Ontario

**Bob Montgomery**, Waterloo Manufacturing's Technical Solution Specialist has been selected to present again this year and will be speaking on

“Who is operating your boiler and what are they missing?”

For more info see our website [www.waterloomanufacturing.ca](http://www.waterloomanufacturing.ca)

To register for any of the Educational Day Sessions, see the CBS website:

[www.canadianboilersociety.com/index.php/events/2017-education-days](http://www.canadianboilersociety.com/index.php/events/2017-education-days)

We hope to see you there!
