March 2009

Records Update in Progress...

To our customers and suppliers, we are in the process of updating all of our records and we are asking for your help. Please see the attached form. Could you either com-

plete the form and fax it back to us or go online and complete the form on our website www.waterloomanufacturing.ca - thank-you for your assistance in this matter.

In-House Lunch & Learns

Waterloo Manufacturing have scheduled some In-House Seminars for various Boiler Room topics. If any of the following topics are of interest to you please join us for lunch in our Boardroom and we'll supply lunch and "food for thought" on the topic of the day.

... with the RSVP to Ken Naugler or Donna at 519-884-0600 or wmc5@watmfg.com

Friday, April 3 Electrical & Gas Saving Controls
(rsvp April 1)

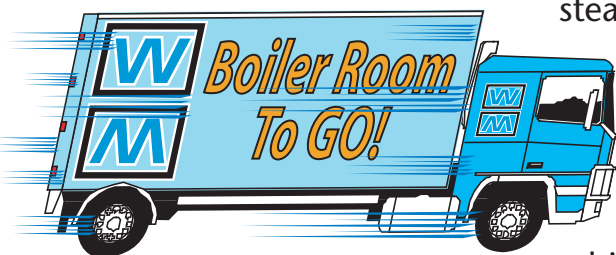

Friday, April 17 Boiler System Upgrades
(rsvp April 15)

Friday, April 24 Domestic Hot Water (rsvp April 22)

Friday, May 1 Steam System Accessories
(rsvp April 29)

We understand how critical steam can be to your business.

Even with preventative measures such as service contracts and annual service, breakdowns do occur. We have the ability to bring a portable

steam right to your door. If you chose to keep in operation while you

make changes to your steam plant or an emergency arises, we have a number of units and sizes available for rent.

We are now also able to provide rental units for hot water boilers.

PREVENTATIVE MAINTENANCE CONTRACTS

Custom tailored to your requirements

3 Months

6 Months

12 Months

We will ensure your boiler and accessories are operating as designed for peak operating efficiency - 24/7

- **Combustion Testing Results**
- **20 Individual Boiler Tests**

Rising Energy Costs have you Going Green?
