Monday, January 3, 2011 – Closed

Tuesday, January 4, 2011 – Regular Hours

Lunch & Learns for Engineers, Contractors and End Users

We are offering Product Lunch and Learns and we can do it 2 ways

1. We come to you and bring the product information and lunch; you provide the meeting room and the people.

or

2. We can host the Lunch & Learn here at our location and with interest we can arrange a factory tour, allowing you to view the product in the plant.

Either way we can provide you with a broad overview or design a very specific presentation to meet your needs.

Preventative Maintenance Contracts

Preventative Maintenance Contracts can be custom tailored to your requirements – 3, 6, 9, 12 months, including Annual Service on your boiler room equipment.

We will ensure your boiler and accessories are operating as designed for peak efficiency 24/7 including Combustion Testing results and several individual boiler tests.

*Wishing you a joyous
Holiday Season and
a New Year of Peace
and Happiness!*
