

**WATERLOO  
MANUFACTURING**  
COMPLETE BOILER ROOM SOLUTIONS

# Boiler News

Volume 43

Dec 2015

We would like to take the opportunity to introduce Waterloo Manufacturing Company (East), Limited.

John M. Schermerhorn Ltd. has represented Cleaver Brooks in Eastern Ontario and Gatineau for 51 years and the owners have made the decision to retire. Waterloo Manufacturing has been appointed as the new Authorized Cleaver Brooks Representative for the territory. Waterloo Manufacturing was established in 1850 and has been a representative for Cleaver Brooks since 1947 in Southwest Ontario.

Over the past few months we have been working with the current staff of John M. Schermerhorn to make a seamless transition. Our intention is to continue to operate out of the same location, and incorporate the current staff. There will be some new names and faces, yet there will still be the familiar dependable staff and service that has served the territory for over 50 years.

On November 1, 2015 we commenced operations under our new organization providing Cleaver Brooks complete boiler room solutions, including new equipment, 24/7 factory trained and fully licensed service technicians, pressure vessel welding, genuine Cleaver Brooks parts, service contracts, rental boilers, fuel conversion and advanced control systems.

Our Waterloo location remains as is.

Our Ottawa location is operating under: Waterloo Manufacturing Company (East), Limited  
19 Grenfell Crescent, Bay 1  
Ottawa ( Nepean), Ontario  
Canada, K2G 0G3

Tel: 613-228-3597

Fax: 613-225-0116
